MERCHED I FAES PEIRIANNEG/GIRLS INTO ENGINEERING

Mynychodd grŵp o genod Blwyddyn 9 weithdy yng Ngorsaf Bŵer Wylfa yn ddiweddar i roi mewnwelediad iddynt i beirianeg fel gyrfa.

Rhoddodd y gweithdy amrywiaeth o weithgareddau iddynt er mwyn ehangu eu golygon a rhoi blas iddynt o sut beth fyddai gyrfa mewn peirianeg.

Treuliodd y disgyblion hanner cyntaf y diwrnod ar daith o amgylch yr orsaf bŵer, a'u harweinydd oedd dynes oedd yn beiriannydd. Treuliodd ail hanner y diwrnod yn gwneud weithgareddau gyda pheirianwyr ar y safle.

A group of Year 9 girls attended a workshop at Wylfa Power Station recently to give them an insight into engineering as a career.

The workshop provided them with a range of activities to broaden pupils outlook and to give them a taste of what a career in engineering might be like.

The pupils spent the first half of the day on a visit around the power station - their guide being a female engineer. The second half of the day was spent carrying out activities with on-site engineers.
