03.07.2020

Dear Parent/Guardian,

We hope this letter finds you well.

By now, year 6 pupils would normally have attended Ysgol David Hughes for a three-day induction period, and we would have held a parents evening to share information with you as parents. We are incredibly disappointed that these events were not possible this year. We realise that transferring between schools under these circumstances is extremely challenging but we will do our utmost to help alleviate any concerns you or your child may have.

We can now confirm that induction sessions for your child will be held in early September. Unfortunately, it is not practical to do so before then. We will contact you in the second half of August to confirm the arrangements and share exact details with you.

In the meantime, we would be grateful if you could complete the Google form <https://forms.gle/gqcc2Z7orV1kebWA6> if you have not already done so. We would also ask that you and your child visit our website [www.ysgoldavidhughes.org](http://www.ysgoldavidhughes.org). There, under the 'Parents' tab, you will find links to our Year 6 handbook; our transition magazine prepared by some year 6 and 7 pupils earlier this year; a task that all of our prospective pupils may undertake and an Additional Learning Needs transition booklet that some families may find useful. We will also upload a short video introducing key members of staff for Year 6 as well as FAQ by parents. In addition to this, on our website you will find information about the school uniform and transport to and from school. A virtual tour of the school can also be viewed.

We will keep you up to date with any plans and developments over the coming weeks. You can also keep up to date with general school events by following us on Twitter [@DavidHughesYDH](https://twitter.com/DavidHughesYDH).

We very much look forward to meeting you and your child in the coming weeks. Should you have any further queries, please do not hesitate to contact us using the contact details above and we will be happy to answer any questions you may have.

Kind regards,

**O Ellis Hughes**  
**(Head of Year 7)**

**H.Emyr Williams**  
**(Head teacher)**
