## 17. ANGHENION DYSGU YCHWANEGOL

Mae polisi'r ysgol yn seiliedig ar hawl pob disgybl i fanteisio ar gwricwlwm eang a chytbwys gan gynnwys y Cwricwlwm Cenedlaethol. Yn Ysgol David Hughes gaiff disgyblion eu hintegreiddio mor llwyr ag y mae'n bosibl i ddosbarthiadau prif ffrwd. Lle y ceir anawsterau neilltuol yn y pynciau craidd, Saesneg, Cymraeg a Mathemateg, gwneir darpariaeth ar gyfer dosbarthiadau llai lle y gall disgyblion dderbyn mwy o sylw unigol er mwyn eu galluogi i gyflawni eu potensial yn llawn.

Caiff disgyblion y mae arnynt angen cymorth y tu hwnt i'r mwyafrif o'u cyfoedion eu hystyried yn ddisgyblion ag Anghenion Ychwanegol. Gallent amrywio o ddisgyblion sydd ar ddatganiad Anghenion Ychwanegol yr AALL ac sy'n derbyn cymorth penodol i ddisgyblion sy'n cael anhawster mewn un maes cwricwlwm yn unig. Gallent fod yn anawsterau corfforol, neu emosiynol yn ogystal ag anawsterau academaidd.

Mae'r cydweithrediad agos rhwng Penaethiaid Adrannau a'r Cyd-gysylltydd Anghenion Ychwanegol yn arwain at fonitro cynnydd yn fanwl a lle ceir achos o bryder, gellir gweithredu'n syth.

Anogir cadw cysylltiad agos rhwng rhieni disgyblion Anghenion Ychwanegol a'u hathrawon.

Gellir monitro disgyblion unigol hefyd drwy Nosweithiau Rhieni ac asesiadau dair gwaith y flwyddyn.

Cynigir hefyd gymorth ychwanegol i ddisgyblion y tu allan i'r amserlen ffurfiol. Gweithredir cynllun darllen ar y cyd bob bore yn ystod y cyfnod cofrestru pan fydd disgyblion yr ysgol iau yn ymarfer darllen gydag aelod o Flwyddyn 12. Bu'r cynllun yn llwyddiannus iawn wrth ysgogi darllenwyr gwan neu gyndyn i gynyddu eu gallu a'u mwynhad wrth ddarllen. Yn ystod pedwar amser cinio'r wythnos cynhelir clybiau a grwpiau cymorth amrywiol sy'n cynnig cynhaliaeth ychwanegol i ddisgyblion sydd ag anghenion dysgu ychwanegol. Mae Clybiau megis y Clwb Gwaith Cartref a'r Grŵp Cynnal Dyslecsia wedi dod yn boblogaidd ymhlith disgyblion sydd erbyn hyn yn eu mynychu'n wirfoddol. Mae disgyblion ag anghenion ychwanegol yn ymuno'n llawn yn holl weithgareddau diwylliannol a chymdeithasol yr ysgol ac anogir hwy i gymryd rhan gyflawn ym mhob agwedd o fywyd yr ysgol a chael budd o wneud hynny.

#### **18. DISGYBLION ANABL**

Mae Ysgol David Hughes yn gweithio'n agos gyda'r Awdurdod Addysg a'r asiantaethau perthnasol i sicrhau nad yw disgyblion anabl yn cael eu trin yn llai ffafriol na disgyblion eraill.

#### **19. GWEITHREDU AC ADOLYGU STRATEGAETHAU'R YSGOL**

Mae'r Corff Llywodraethu wedi mabwysiadu Cynllun Datblygu Ysgol sy'n cynnwys blaenoriaethau'r ysgol ar gyfer y flwyddyn i ddod. Mae'r cyswllt gyda'r gyllideb yn holl bwysig ac mae nifer o'r strategaethau datblygol wedi eu costio'n fanwl.

Mae crynodeb o'r blaenoriaethau ar gael yn yr ysgol.

#### **20. Y DEFNYDD O'R IAITH GYMRAEG YN YR YSGOL**

Mae Ysgol David Hughes yn ysgol uwchradd ddwyieithog Categori 2B, sydd yn golygu, addysgir o leiaf 80% o'r pynciau (ac eithrio'r Gymraeg a'r Saesneg) drwy gyfrwng y Gymraeg ond fe'u haddysgir drwy gyfrwng y Saesneg hefyd.

Y cyd-destun ieithyddol fydd yn pennu iaith neu ieithoedd yr ysgol o ddydd i ddydd. Defnyddir y naill iaith a'r llall i gyfathrebu â'r disgyblion a hefyd yng ngweinyddiaeth yr ysgol. Rhoddir blaenoriaeth uchel i greu ethos Gymraeg. Mae'r ysgol yn cyfathrebu â'r rheini yn y naill iaith a'r llall.

Ar gyfer disgyblion sy'n dilyn y nifer uchaf posibl o gyrсияu drwy gyfrwng y Gymraeg, byddent yn cael eu hasesu drwy gyfrwng y Gymraeg yn y pynciau hynny yn CA3 a CA4 ac y byddent yn gallu symud ymlaen yn hawdd i ddarpariaeth ôl 16 drwy gyfrwng y Gymraeg yn y pynciau y maent wedi eu dewis.

Mae'r ysgol yn dilyn Polisi Iaith Ysgolion Ynys Môn, a gafodd ei ffurfioli yn 1998, a'i phrif amcan yw datblygu gallu disgyblion a myfyrwyr y sir i fod yn hyderus ddwyieithog.

Ei amcan yw sicrhau bod pob disgybl yn defnyddio'r ddwy iaith yn gyfrwng dysgu i amrywiol raddau yn unol â gallu ieithyddol pob unigolyn, er mwyn sicrhau parhad addysg ddwyieithog ar ôl y cynradd.

#### **21. CYFARFOD GYDA CHORFF LLYWODRAETHU'R YSGOL**

Yn ystod 2014-2015, ni chyflwynwyd deiseb i gynnal cyfarfod, felly ni chafwyd un.

## **24. CYFLEUSTERAU TOILEDAU**

Mae'r ysgol wedi buddsoddi'n sylweddol yn ystod y blynyddoedd diwethaf ac wedi adnewyddu 4 bloc toiled. Mae'r toiledau yma yn gwbl breifat gyda drws yn ymestyn i'r nenfwd ar bob ciwbicl. Rhoddwyd camerâu CCTV i gadw golwg ar y rhan agored wrth y sinciau ym mhob toiled i sicrhau nad oes neb yn camymddwyn tuag ddisgyblion eraill nag yn difrodi'r eiddo. Cedwir y toiledau yn lân gyda chyflenwad digonol o sebon a phapur yn ddyddiol drwy gytundeb glanhau Cyngor Sir Ynys Môn.

## **25. HYRWYDDO YFED A BWYTA'N IACH GAN DDISGYBLION**

Mae'r grŵp SNAG yr ysgol (Is bwyllgor cyngor ysgol) wedi ei sefydlu i drafod materion sydd yn ymwneud â hybu bwyta ac yfed iach yn yr ysgol. Yn ystod y flwyddyn ddiwethaf mae'r grŵp, sydd yn cynnwys disgyblion blwyddyn 7-13, wedi cyfarfod yn rheolaidd gyda staff y ffreutur yn ogystal â chynrychiolwyr o Caterlink. Dyma flas o beth mae'r grŵp yn gweithio arno ar hyn o bryd:

- Edrych i weld a oes modd newid rheolau'r ysgol i wahardd yfed diodydd egni fel Red Bull a Monster. Mae'r grŵp yn teimlo byddai newid y rheol yma yn gwella ymddygiad disgyblion yn yr ysgol.
- Wedi creu gwasanaeth fydd yn cael ei gyflwyno ar ôl y Nadolig yn esbonio beth yw gwaith y grŵp ac yn gofyn am farn y disgyblion.

- Ceisio gwella trefn disgwyl am fwyd yn ystod amser cinio.
- Cwestiynu amseroedd mae'r ffreutur yn agored gan fod nifer o ddisgyblion yn teimlo bod y bwyd yn gorffen yn fuan ac nad oes digon o ddewis erbyn diwedd amser cinio.

### **2. THE SCHOOL'S AIM AND OBJECTIVES**

The school aims, in partnership with pupils, parents and governors to create an atmosphere that will allow all pupils to develop to their full potential and, in doing so, meet the needs and demands of our changing bilingual society.

3. To prepare the pupil to make a full contribution to the life of the society of which he/she is a part. In the case of Anglesey that is a bilingual society and it is, therefore, necessary to ensure that every pupil has the opportunity to learn to communicate verbally and in writing in both languages.
4. To teach pupils about human achievements and aspirations in the arts, the sciences, religion and the search for a just society.
5. To assist pupils to develop enquiring, lively minds; to question and to argue logically and then to undertake specific tasks.

### **BEHAVIOUR AND DISCIPLINE – GENERAL PRINCIPLES**

Ysgol David Hughes is a secondary school for young people of 11 - 18 years of age. We therefore expect friendship, co-operation and common sense to be the basis for our activities. During their period in school pupils will be required to make many decisions concerning their future. Success in school, further education, training or the world of work requires commitment and hard work. In order to help pupils to attain the expected standards we hope to create the correct conditions and atmosphere within the school.

Every member of the school should show respect towards other members, pupil towards pupil, pupil towards teacher, and members of the school towards visitors.

Every pupil is a member of a tutorial group and the class tutor is always willing to advise, help with enquiries or try to solve a problem.

Teachers are in the classroom to work with the whole group. They are, of course, willing to give individual attention during this period. It is important, however, that thoughtless individuals do not interrupt the class.

If any parent has a comment to make on the above statement you are requested to contact the Chairman of the Governing Body via the Clerk to the Governors.

As well as meetings of the full Governing Body the Governors have 5 Sub-committees, namely, Buildings, Finance and Personnel, Welfare and Community, Policies and Curriculum and Standards which met several times during the year. There were also a number of meetings of the Appointments Panel and Disciplinary Panel.

As a school we rejoice in the excellent examination results, which reflect, not only hard work and effort, but also the success of partnerships between teachers, pupils and parents. We aim to maintain these high standards in future.

## 17. ADDITIONAL LEARNING NEEDS

The school policy is based on the right of every pupil to take advantage of a broad and balanced curriculum including the National Curriculum. At Ysgol David Hughes pupils are integrated as fully as possible into mainstream classes. Where there are particular difficulties in the core subjects of English, Welsh and Mathematics, provision is made for smaller classes where pupils can receive more individual attention to enable them to achieve their full potential.

Pupils who require help over and above the majority of their peers are considered to have Additional Needs. They can range from pupils with an LEA statement of Additional Needs who receive specific support, to pupils who experience difficulty in only one area of the curriculum. Difficulties may be physical or emotional as well as academic.

Close co-ordination between Heads of Department and the Additional Needs Co-ordinator means that progress is monitored closely and when there is cause for concern prompt action is taken.

Close contact between parents of Additional Needs pupils and their teachers is encouraged. Also, through Parents Evenings and twice yearly assessments, individual pupils can be monitored.

Additional support is also offered to pupils outside the formal timetable. There is a paired reading scheme in operation every morning during registration where pupils in the lower school practice reading skills with a member of Year 12.

The scheme has proved very successful in motivating poor or reluctant readers to increase their ability and enjoyment of reading. During four lunchtimes a week various clubs and support groups offering additional support for pupils with additional learning needs. Clubs such as the Homework Club and Dyslexia Support Group have become popular amongst pupils who now attend them voluntarily. Additional Needs pupils participate fully in all the cultural and social activities of school and are encouraged to take a full and rewarding part in every aspect of school life.

#### **18. DISABLED PUPILS**

Ysgol David Hughes works closely with the Local Education Authority and relevant agencies to prevent disabled pupils being treated less favourably than other pupils.

#### **19. IMPLEMENTING AND REVIEWING SCHOOL STRATEGIES**

The Governing Body has adopted the School Development Plan, which contains the school's priorities for the following year. The link with the school budget is very important and a number of the development strategies have been carefully costed.

A summary of the main priorities is available in the school.

#### **20. USE OF THE WELSH LANGUAGE IN SCHOOL**

Ysgol David Hughes is a bilingual secondary school Category 2B, which means that, at least 80% of subjects (excluding Welsh and English) are taught through the medium of Welsh but are also taught through the medium of English.

The day to day language or languages of the school will be determined by its linguistic context. Both languages are used to communicate with pupils and for the school's administration. A high priority is given to creating a Welsh ethos. The school communicates with parents in both languages.

For pupils following the maximum number of courses through the medium of Welsh, the normal expectation is that assessment at KS3 and KS4 would be through the medium of Welsh in those subjects and that they would be able to progress easily to post 16 provision through the medium of Welsh in their chosen subjects.

The school follows the Anglesey Schools' Language Policy that was formalised in 1998, and its basic objective is to develop the ability of the county's pupils and students to be confidently bilingual.

It aims to ensure that each pupil uses both languages as a learning medium in various degrees according to the linguistic ability of the individual in order to ensure the continuation of the bilingual education from primary school.

#### **21. MEETING WITH THE SCHOOL'S GOVERNING BODY**

Following the change in the arrangements when The Schools Standards and Organisation Wales Act 2013 came into force, it is not compulsory to hold an annual meeting with parents.

During 2014-2015, no petition was raised requesting a meeting, therefore no meeting was held.

#### **24. TOILET FACILITIES**

The school has invested substantially over recent years and have replaced 4 toilet blocks. These toilets are totally private with doors reaching up to the ceiling in each cubicle. CCTV Cameras monitor the open area where the washbasins are in each block to ensure that nobody misbehaves towards other pupils or causes damage. The toilets are kept clean with sufficient supply of soap and paper daily through the Isle of Anglesey County Council's cleaning contract.

#### **25. PROMOTING HEALTHY EATING AND DRINKING BY PUPILS**

The SNAG group (school council sub-committee) has been established to discuss matters that involve promoting healthy eating and drinking in the school. During the last year the group, which includes pupils from years 7-13, has met regularly with canteen staff and representatives from Caterlink. Here is a taster of the work the group is working on at the moment:

- Investigate if there are ways to change the school rules to ban energy drinks such as Red Bull and Monster. The group believes that changing this rule will improve pupils' behaviour in the school.
- Have created material for assembly to be presented after Christmas explaining the group's role and seeking pupils' views.
- During the year, the group has been thinking of themed days, such as St David's Day lunch, Rugby World Cup lunch and Christmas lunch.
- Trying to improve queuing system during lunchtime.
- Question the times the canteen is open as pupils feel that the food finishes early and that there is not a lot of choice by the end of lunchtime.
