@DavidHughes6ed

CONGRATULATIONS

Congratulations to everybody who has been awarded a scholarship to study at University or Music College.

Welcome!

Once again our Sixth Form has been extremely busy, and by now the exam period has started. Even so we have had plenty of time for visits, money raising activities, raising awareness events and fun as part of our daily life in the Sixth Form. We hope you enjoy reading about them.

THE OPEN EVENING

A very successful Open Evening was held with over 100 year 11 pupils and their parents. During that week, it was good to see so many current sixth formers promoting their subjects in the Options Fair and helping in the Open Evening.

DIGITAL LEADERS

As a school we are very proud to have our first Digital Leaders. Owain, Georgia, Maya, Alex, Derek and Mathew will be promoting ITC projects.

PROJECTS

It's always good to participate in various projects and over the past two terms we have been busy contributing again towards the Profi project which is run in conjunction with Pontio and Bangor University. We would also like to thank Gisda for their input.

SPORTS

Congratulations to Glesni Tegid and Alex Burgess on their success at the Eryri Schools Sports. On to Cardiff now!

VISITS

Once again several visits were organised for the Sixth Form.

Year 12 ICT visited Am Dro.

The Year 13 English class went to Grassmere.

Year 13 RE spent two days in London.

The Sixth Form were represented by Mathew O'Hanlon Elms and Georgina Jones in London at the Anglesey Day.

Some yr.12 Chemistry students have been working with Siemens.

The Art class visited the Tate in Liverpool.

VISITORS

We welcomed a large number of guest speakers again last term. It's always a pleasure to have ties with so many local and national bodies.

Menter Fachwen Anglesey Council
St David's Hospice Give Blood
Air Ambulance
Anglesey Communities First
Irfon Williams - Mental Health sessions
Phil Lynes - Student Finance Wales
Dr. Catrin Edwards and Dr Elin Royles, International Politics, Aberystwyth University.

RAISING MONEY

More coffee mornings were held and the cakes are still selling well.

We have raised money for the British Heart Foundation, Oxfam and Hospice at Home.

We are also very proud of our link with the Pentraeth branch of the NSPCC and were busy before Easter selling and eating Easter chicks and eggs.

THE FUTURE

THE 6TH FORM STAFF WOULD LIKE TO WISH EVERYBODY WHO IS LEAVING ALL THE BEST AT THE START OF A NEW JOURNEY.

REMEMBER TO CALL IN TO SEE US!

YOU WILL ALWAYS BE WELCOME!

CONTRIBUTION TO THE SCHOOL AND LOCAL COMMUNITY

A small group of pupils had a wonderful morning adjudicating the Welsh and Art Eisteddfod competitions at Ysgol y Borth.

Thia, Ceri and Lois read Papur Menai for the blind.

The Sports' Ambassadors have been extremely busy volunteering in a residential home - a most rewarding experience.

The Oxfam Ambassadors have been raising money and awareness of the charity's work with a sponsored fast, a book swap and a cake stall.

Shôn Alun Thomas, the Urdd Ambassador has ensured that volunteers were available to help during the Cylch and County Eisteddfodau.

A very successful quiz was organised for students and staff. Thanks to Rib Ride for donating the prize - the winning team is looking forward to the adrenaline rush!

AND FINALLY...

Congratulations to Cordia on their fantastic achievement - winning Cân I Gymru and then at the Pan Celtic Festival in Ireland. Well done!
