YSGOL DAVID HUGHES LIBRARY

WELCOME TO THE LIBRARY

Come to the Library to find a good book to read or a book that will help you with your school work! There are also newspapers, magazines, leaflets and reference books (encyclopaedias, dictionaries, atlases etc)

If you need help to find a book, ask **Mrs Clarke the librarian** to help. You can come to the library during morning break and during lunchtimes (see the arrangements below).

Don't forget that the Library is a place for you to work or read, not a place for you to mess around. Also no food or drink allowed in the library.

HOW CAN I BORROW A BOOK?

Everyone's name is on the Library computer system (Eclipse person). When you want to borrow a book you must bring it to the desk to be stamped. Give your name and reg class and the book will be scanned on to your record.

FOR HOW LONG CAN I BORROW A BOOK?

You can borrow up to 4 books for a period of three weeks. If you lose the book you must pay for a replacement copy. If you want the book for longer than 3 weeks come and ask for an extension at the desk. Don't forget to return the book to the desk so that it can be taken off your record on the Library system.

SCHOOL WORK

You can come to the Library at lunch time to do school work **when it is your year's day**. If it is not your day and you have work to do, ask your registration teacher or subject teacher if you can use their classroom. There is a printer in the library for you to print schoolwork – either in black and white or in colour. **Be careful when printing to avoid wasting paper and ink!** There is also a photocopier for you to use, but you have to pay – A5 copies are 5p and A3 are 10p.
