Schoolgateway

Mae YDH ar fin lansio 'Schoolcomms' sy'n caniatau i ni gyfathrebu yn fwy effeithiol gyda rhieni. Byddwn yn defnyddio TEXT, e.bost ac APP Schoolgateway i gysylltu gyda chi. Er mwyn i'r system weithio mae'n hanfolod bwysig fod gennym eich e.bost a rhif ffôn symudol diweddaraf. Bydd llythyr yn gofyn ichi gadarnhau eich manylion cyswllt a chyfarwyddiadau ar sut i gael yr APP yn dilyn yn fuan. Yn y dyfodol byddwch yn gallu derbyn llythyrau, asesiadau ac ati drwy e.bost a negeseuon byr drwy tecst neu neges ar yr APP. Byddwn hefyd yn gweithredu trefn o wneud apwyntiadau ar gyfer nosweithiau rhieni ar-lein gan ddechrau gyda Blwyddyn 7 yn mis Tachwedd.

We will shortly be launching the use of 'Schoolcomms' as a convenient way of communicating effectively with parents. We will be using TEXTS, email and the Schoolgateway APP to contact you. In order for the system to work effectively it is essential that we have your current email address and mobile phone number. A letter will be distributed in the near future to ask you to confirm your contact details and inform you how to register for the APP. In the future you will be able to receive letters and reports etc. through email and shorter messages via text or the app. We will also be implementing an online booking system for parents evening appointments, starting with Year 7 in November.
