

MASNACH DEG/FAIRTRADE

Mae rhai o ddisgyblion 9Y wedi penderfynnu cael diwrnod Masnach Deg i godi ymwybyddiaeth y broblem diarrhoea enfawr yn y byd. Mae plant sydd yn cael afiechyd yma yn marw mewn 2-3 diwrnod. Ond mae'r broblem fawr yma'n gallu cael ei ddatrys yn syml.

Mae 10c yn gallu ei darparu efo un llwy o halen a siwgr, ac un litr o ddwr. Er bod hyn yn swnio'n syml iawn mae hyn yn gallu safio eu bywydau.

Mae Ysgol David Hughes am gynnal diwrnod Masnach Deg ar 23 Mawrth 2012. Mi fyddwn yn gofyn i chi ddod a hynny o bres fedrwrch ar y diwrnod hwnnw i drïo gwella'r sefyllfa. Os ydych dim ond yn dod a £1 mi fydd huna'n safio deg bywyd. Gan gofio bod saith plentyn yn marw pob munud o'r achos yma, mi fedrwn ni leihau'r hynny yn ofnadwy.

Fedrwrch chi roi fyny un peth fel panad o goffi neu McFlurry yn McDonalds i adael i'r plant yma gael cyfle yma i fyw?
Iddon Roberts + Steffan Jones, 9Y

Some pupils from 9Y have decided to hold a Fairtrade day to raise awareness of the huge diarrhoea problem in the world. Children who get this illness die within 2-3 days. However, it's a big problem that can be solved easily.

10p can provide one spoon of salt and sugar and one litre of water. Although this sounds simple it can save lives.

Ysgol David Hughes are holding a Fairtrade day on 23 March 2012. We ask that you bring as much money as you can on the day to try and help the situation. If you can only spare £1 this will save ten lives. Remember that seven children die every minute because of this illness, we can help reduce this.

Can you give up one thing such as a cup of coffee or a McFlurry from McDonalds to give these children the chance to live?

Iddon Roberts + Steffan Jones, 9Y
