The school aims, in partnership with pupils, parents and governors to create an atmosphere that will allow all pupils to develop to their full potential and, in doing so, meet the needs and demands of our changing bilingual society.

1. To seek to nurture a civilised society, which stresses human and moral values, paying special attention to tolerance and compassion for others, particularly the least fortunate in life.
2. To develop a basis of literacy and mathematical, scientific and technical knowledge which will enable the pupil to learn the essential skills of work and leisure for today's needs and those of the technological society with which they will be faced in the future.
3. To prepare the pupil to make a full contribution to the life of the society of which he/she is a part. In the case of Anglesey that is a bilingual society and it is, therefore, necessary to ensure that every pupil has the opportunity to learn to communicate verbally and in writing in both languages.
4. To teach pupils about human achievements and aspirations in the arts, the sciences, religion and the search for a just society.
5. To assist pupils to develop enquiring, lively minds; to question and to argue logically and then to undertake specific tasks.

BEHAVIOUR AND DISCIPLINE – GENERAL PRINCIPLES

Ysgol David Hughes is a secondary school for young people of 11 - 18 years of age. We therefore expect friendship, co-operation and common sense to be the basis for our activities. During their period in school pupils will be required to make many decisions concerning their future. Success in school, further education, training or the world of work requires commitment and hard work. In order to help pupils to attain the expected standards we hope to create the correct conditions and atmosphere within the school.

Every member of the school should show respect towards other members, pupil towards pupil, pupil towards teacher, and members of the school towards visitors.

Every pupil is a member of a tutorial group and the class tutor is always willing to advise, help with enquiries or try to solve a problem.

Teachers are in the classroom to work with the whole group. They are, of course, willing to give individual attention during this period. It is important, however, that thoughtless individuals do not interrupt the class.

If any parent has a comment to make on the above statement you are requested to contact the Chairman of the Governing Body via the Clerk to the Governors.

As well as meetings of the full Governing Body the Governors have 5 Sub-committees, namely, Buildings, Finance and Personnel, Welfare and Community, Policies and Curriculum and Standards which met several times during the year. There were also a number of meetings of the Appointments Panel and Disciplinary Panel.

16. ADDITIONAL LEARNING NEEDS

The school policy is based on the right of every pupil to take advantage of a broad and balanced curriculum including the National Curriculum. At Ysgol David Hughes pupils are integrated as fully as possible into mainstream classes. Where there are particular difficulties in the core subjects of English, Welsh and Mathematics, provision is made for smaller classes where pupils can receive more individual attention to enable them to achieve their full potential.

Pupils who require help over and above the majority of their peers are considered to have Additional Needs. They can range from pupils with an LEA statement of Additional Needs or LEA Individual Development Plan (IDP) who receive specific support, to pupils who experience difficulty in only one area of the curriculum. Difficulties may be physical or emotional as well as academic.

Close co-ordination between Heads of Department and the Additional Needs Co-ordinator means that progress is monitored closely and when there is cause for concern prompt action is taken.

Close contact between parents of Additional Needs pupils and their teachers is encouraged. Also, through Parents Evenings and twice yearly assessments, individual pupils can be monitored.

Additional support is also offered to pupils outside the formal timetable. There is a paired reading scheme in operation every morning during registration where pupils in the lower school practice reading skills with a member of Year 12.

The scheme has proved very successful in motivating poor or reluctant readers to increase their ability and enjoyment of reading. During four lunchtimes a week, various clubs and support groups offering additional support for pupils with additional learning needs.

Mae Clybiau megis y Clwb Gwaith Cartref a'r Grŵp Cynnal Dyslecsia wedi dod yn boblogaidd ymhlith disgyblion sydd erbyn hyn yn eu mynychu'n wirfoddol. Mae disgyblion ag anghenion ychwanegol yn ymuno'n llawn yn holl weithgareddau diwylliannol a chymdeithasol yr ysgol ac anogir hwy i gymryd rhan gyflawn ym mhob agwedd o fywyd yr ysgol a chael budd o wneud hynny.

17. DISGYBLION ANABL

Mae Ysgol David Hughes yn gweithio'n agos gyda'r Awdurdod Addysg a'r Asiantaethau perthnasol i sicrhau nad yw disgyblion anabl yn cael eu trin yn llai ffafriol na disgyblion eraill.

18. GWEITHREDU AC ADOLYGU STRATEGAETHAU'R YSGOL

Mae'r Corff Llywodraethu wedi mabwysiadu Cynllun Datblygu Ysgol sy'n cynnwys blaenoriaethau'r ysgol ar gyfer y flwyddyn i ddod. Mae'r cyswllt gyda'r gyllideb yn holl bwysig ac mae nifer o'r strategaethau datblygol wedi eu costio'n fanwl.

Mae crynodeb o'r blaenoriaethau ar gael yn yr ysgol.

19. Y DEFNYDD O'R IAITH GYMRAEG YN YR YSGOL

Mae Ysgol David Hughes yn ysgol uwchradd ddwyieithog Categori 2B, sydd yn golygu, addysgir o leiaf 80% o'r pynciau (ac eithrio'r Gymraeg a'r Saesneg) drwy gyfrwng y Gymraeg ond fe'u haddysgir drwy gyfrwng y Saesneg hefyd.

Mae'r ysgol yn dilyn Polisi Iaith Ysgolion Ynys Môn a'i phrif amcan yw datblygu gallu disgyblion a myfyrwyr y sir i fod yn hyderus ddwyieithog.

Defnyddir y naill iaith a'r llall i gyfathrebu â'r disgyblion a hefyd yng ngweinyddiaeth yr ysgol. Rhoddir blaenoriaeth uchel i greu ethos Gymraeg. Mae'r ysgol yn cyfathrebu â'r rhieni yn y naill iaith a'r llall.

Ar gyfer disgyblion sy'n dilyn y nifer uchaf posibl o gyrsiau drwy gyfrwng y Gymraeg, byddent yn cael eu hasesu drwy gyfrwng y Gymraeg yn y pynciau hynny yn CA3 a CA4 ac yna byddent yn gallu symud ymlaen yn hawdd i ddarpariaeth ôl 16 drwy gyfrwng y Gymraeg os dymunant, yn y pynciau y maent wedi eu dewis.

Ei amcan yw sicrhau bod pob disgybl yn defnyddio'r ddwy iaith yn gyfrwng dysgu i amrywiol raddau yn unol â gallu ieithyddol pob unigolyn, er mwyn sicrhau parhad addysg ddwyieithog ar ôl y cynradd.

20. CYFARFOD GYDA CHORFF LLYWODRAETHU'R YSGOL

Yn dilyn newid yn y drefn pan ddaeth Deddf Safonau a Thrafnidiaeth Cymru 2013 i rym, nid yw'n orfodol i gynnal cyfarfod blynyddol gyda rhieni mwyach.

Yn ystod 2023-2024, ni chyflwynwyd deiseb i gynnal cyfarfod, felly ni chafwyd un.

Clubs such as the Homework Club and Dyslexia Support Group have become popular amongst pupils who now attend them voluntarily. Additional Needs pupils participate fully in all the cultural and social activities of school and are encouraged to take a full and rewarding part in every aspect of school life.

17. DISABLED PUPILS

Ysgol David Hughes works closely with the Local Education Authority and relevant agencies to prevent disabled pupils being treated less favourably than other pupils.

18. IMPLEMENTING AND REVIEWING SCHOOL STRATEGIES

The Governing Body has adopted the School Development Plan, which contains the school's priorities for the following year. The link with the school budget is very important and a number of the development strategies have been carefully costed.

A summary of the main priorities is available in the school.

19. USE OF THE WELSH LANGUAGE IN SCHOOL

Ysgol David Hughes is a bilingual secondary school Category 2B, which means that, at least 80% of subjects (excluding Welsh and English) are taught through the medium of Welsh but are also taught through the medium of English.

The school follows the Anglesey Schools' Language Policy that was formalised in 1998, and its basic objective is to develop the ability of the county's pupils and students to be confidently bilingual.

Both languages are used to communicate with pupils and for the school's administration. A high priority is given to creating a Welsh ethos. The school communicates with parents in both languages.

For pupils following the maximum number of courses through the medium of Welsh, the normal expectation is that assessment at KS3 and KS4 would be through the medium of Welsh in those subjects and that they would be able to progress easily to post 16 provision through the medium of Welsh in their chosen subjects.

It aims to ensure that each pupil uses both languages as a learning medium in various degrees according to the linguistic ability of the individual in order to ensure the continuation of the bilingual education from primary school.

20. MEETING WITH THE SCHOOL'S GOVERNING BODY

Following the change in the arrangements when The Schools Standards and Organisation Wales Act 2013 came into force, it is not compulsory to hold an annual meeting with parents.

During 2023-2024, no petition was raised requesting a meeting, therefore no meeting was held.

23. CYFLEUSTERAU TOILEDAU

Mae'r ysgol wedi buddsoddi'n sylweddol yn ystod y blynyddoedd diwethaf ac wedi adnewyddu 4 bloc toiled. Mae'r toiledau yma yn gwbl breifat gyda drws yn ymestyn i'r nenfwd ar bob ciwbicl. Rhoddwyd camerâu CCTV i gadw golwg ar y rhan agored wrth y sinciau ym mhob toiled i sicrhau nad oes neb yn camymddwyn tuag ddisgyblion eraill nag yn difrodi'r eiddo. Cedwir y toiledau yn lân gyda chyflenwad digonol o sebon a phapur yn ddyddiol drwy gytundeb glanhau Cyngor Sir Ynys Môn.

24. HYRWYDDO BWYD A FFITRWYDD

Mae'r grŵp Bwyd a Ffitrwydd (Is bwyllgor cyngor ysgol) wedi ei sefydlu i drafod materion sydd yn ymwneud â hybu bwyta ac yfed iach yn yr ysgol. Yn ystod y flwyddyn ddiwethaf mae'r grŵp, sydd yn cynnwys disgyblion blwyddyn 7-13, wedi cyfarfod yn rheolaidd gyda staff y ffreutur yn ogystal â chynrychiolwyr o Caterlink. Dyma flas o beth mae'r grŵp yn gweithio arno ar hyn o bryd:

- Wedi adnabod dyddiau themâu arbennig ee Gŵyl Dewi, cinio Nadolig ac wedi addurno'r ffreutur ar eu cyfer.
- Yn ystod diwrnod sgiliau, bu myfyrwyr y Chweched Dosbarth dderbyn hyfforddiant coginio er mwyn bwyta'n iach.
- Mae'r grŵp Bwyd a Ffitrwydd wedi lleihau plastig ddrwy ddileu'r angen am orchudd plastig ar y bisgedi.
Bydd yr ymgrych i leihau'r defnydd o blastig yn y Ffreutur yn flaenoriaeth eto yn 2023-2024.

23. TOILET FACILITIES

The school has invested substantially over recent years and have replaced 4 toilet blocks. These toilets are totally private with doors reaching up to the ceiling in each cubicle. CCTV Cameras monitor the open area where the washbasins are in each block to ensure that nobody misbehaves towards other pupils or causes damage. The toilets are kept clean with sufficient supply of soap and paper daily through the Isle of Anglesey County Council's cleaning contract.

24. PROMOTING HEALTHY EATING AND DRINKING BY PUPILS

The Food and Fitness group (school council sub-committee) has been established to discuss matters that involve promoting healthy eating and drinking in the school. During the last year the group, which includes pupils from years 7-13, has met regularly with canteen staff and representatives from Cater link. Here is a taster of the work the group is working on at the moment:

- The group identified special themed days, such as St David's Day lunch, Christmas lunch and have decorated the dining room accordingly.
- During skills day, the 6th Form students received cooking lessons to improve healthy eating.
- The Food and Fitness group have reduced the amount of plastic used by deleting the need to cover biscuits sold with plastic. The campaign to reduce the amount of plastic used in the canteen will be a priority during 2023-2024.
