

SIALENS Y DDRAIG WERDD/THE GREEN DRAGON CHALLENGE

Yn dilyn sgiliau Blwyddyn 10 fis Tachwedd diwethaf, dewiswyd tîm o 10M i gymryd rhan mewn cystadleuaeth Sialens y Ddraig Werdd yn y Brifysgol ym Mangor. Roeddent yn cystadlu yn erbyn timau o ysgolion eraill Ynys Môn ac yn cyflwyno eu pentref gwyliau cynaliadwy i banel o feirniaid. Enillodd y tîm £300 am gyflwyno'r pentref gwyliau oedd yn cael yr effaith lleiaf ar yr amgylchedd. Llongyfarchiadau mawr i'r tîm!

Following the Year 10 skills day last November a team from 10M was chosen to go to the University in Bangor to take part in the Green Dragon Challenge. They were in competition with teams from other Anglesey schools and their task was to present their sustainable holiday village to a panel of judges. The team won £300 for presenting the most environmentally friendly holiday village. Congratulations to the team!
